In addition to this main purpose it is hoped that this program will help participants to develop their leadership, teamwork, and communication skills.

SOURCES: Information for questions will be in the areas of 4-H, Tennessee (History, Geography, and Government), Agriculture and Environment, and Family and Consumer Sciences.

Divisions

Teams and clubs will participate in the following divisions:

4th Grade Division

5th Grade Division

6th Grade Division

7th Grade Division

8th Grade Division

Teams

A team will consist of four (4) 4-H members from the county, who fall into that particular grade division. At the Region Contest, a team with only three members will be allowed to compete. However, this team will do so realizing they are at a natural disadvantage to a team with four members. **No team can compete at the Region Contest with less than three members!** NO EXCEPTIONS!

A county can submit one team in each of the grade classifications. The contest will be a tournament format in which brackets will be determined by drawing. The tournament will be a single elimination contest.

Alternates

It is advisable to have alternates in case team members are unable to attend the contest. **Alternates, however, will not receive any awards or recognition. In addition, only team members will be allowed to sit on the stage during Clover Bowl contest.**

Awards

The first place team in each grade division will receive a rotating award to be displayed in the county Extension office for the year. Coaches/teachers will receive an award as well. Individual members of the winning team will also receive a trophy and a Clover Bowl t-shirt.

The second place team in each grade division will receive individual trophies for each member of the team. Coaches/teachers will also receive an award. Team members will also receive a Clover Bowl t-shirt.

Semi-final teams will receive no team awards, but will receive a Clover Bowl t-shirt.

All participants who do not advance to the semi-finals in each grade division will receive participation awards.

Contest Rules

1. A "Quiz-A-Tron" will be used with the first member "buzzing" in being given the opportunity to answer the question.
- 2a. A contest or match will consist of 16 questions. Each round will have representative questions from each major category (refer to SOURCES). **There will be two rounds in each contest. The first round will be the Toss-Up Round, the second round will be the All-Play Round.**
- 2b. **Toss-Up Round: Each team member will be numbered 1-4. The first question will be asked to the number "one" member of each team. This will be a toss-up question that only these two members can answer. Play will continue to the number "two" team members on each team and so on. This will progress through the first eight questions of the contest. Each team member will have the opportunity to answer two questions during this round. Correct answers in this area will count toward the teams bonus.**
- 2c. **All -Play Round: The All-Play Round will be simple toss-up questions in which all 8 members will have the opportunity to answer. This round will consist of the final 8 questions of the contest. Correct answers in this area will count toward the teams bonus.**
3. Questions will count 10 points for correct answers and a deduction of 5 points for incorrect answers.
4. The first person to "buzz" in has 10 seconds to answer the question or they lose 5 points. The first answer will be the only one accepted. If incorrect, the other team may have the question **completely** reread and will be given 5 seconds to buzz in and 10 seconds to answer. If the other team decides to answer and does so correctly, they will receive 10 points. If they answer incorrectly, they **do not lose 5 points.**
5. When a buzzer is pushed before the question is completely read, the moderator will stop reading the question at the sound of the buzzer. If the answer is incorrect, the opposing team may answer immediately or may elect to have the question completely reread.

6. If no one pushes a button within 5 seconds after the question is completed, no points will be awarded or deducted from either team. The question does, however, count as one of the 16 in the round.
- 7a. **A 5 point bonus will automatically be awarded to a team when all team members have answered a question correctly. This will be 4 questions for a 4 person team, 3 questions for a 3 person team, or three questions for a 4 person team competing against a three person team. Once this bonus has been awarded, the bonus opportunity will be reset starting with the next question. A team can receive multiple bonus awards during the round. No Bonus awards will be given during tie-breakers (see Rule 9).**
- 7b. **In addition to the 5 point bonus, a team will receive a bonus question worth 15 points. A wrong bonus answer does not count against the team score.**
- 7c. **Discussion is allowed only on bonus questions. The team will have 20 seconds to discuss this question. At the end of the 20 second time period, the moderator will ask for an answer from the captain. The answer must come from the team captain, and the first answer will be the only one accepted. (Other team members may help the captain during the answer, but the official answer will only be accepted from the captain.) The captain will have 10 seconds to complete the answer after being called on by the moderator. The moderator can allow the captain to complete the bonus answer after the time has expired for lengthy bonus answers.**
8. If a contestant “blurts” out an answer when he/she **does not** have the light, one of two situations will occur: 1) If the member is on the opposite team from the contestant who does have the light, the question will be re-read to the member who has the light with no penalty given. 2) If the member is on the same team as the contestant with the light, the team will be penalized 5 points and the question will be re-read to the opposite team. **The question will not be thrown out.**
9. The team with the most points at the end of the round will be declared the winner and will advance to the next round. Ties will be broken by a 5 question tie-breaker round. **No Bonuses will be awarded during the tie-breaker round. If teams are still tied at the end of the tie-breaker round, then play will proceed to a Sudden Death Tie-Breaker. In this round a question will be read until a team gains the lead either by answering a question correctly or by an opposing team answering a question incorrectly.**
10. During the Region Contest teams may not substitute contestants.
- 11.. **ALL DECISIONS OF THE JUDGE WILL BE FINAL.**

Note to teachers and coaches: Fourth graders will only be responsible for the questions in the 4th division of each section. Fifth thru Eight graders will be responsible for questions in their current grade section plus all previous grade sections as well. For example, 6th graders will be responsible for 6th grade, 5th grade and 4th grade sections, but not for 7th and 8th grade sections.
