

# HORSE

**Divisions:** Western Hunter Walking/Racking  
Saddle/English Spotted Saddle Horse

## Registration and Ownership:

All project animals must be registered on a 4-H Horse Enrollment Form (F-778) and filed in the County Extension Office no later than **March 1** of the current year. The Horse Enrollment Forms are available on the Extension Animal Science website:

<http://animalscience.ag.utk.edu/horses/pdf/4-H/F778-HorseEnrollmentForm.pdf>.

## Publications:

The TN 4-H Horse Championships Handbook, which can be obtained from the Extension Animal Science department, describes in great detail every aspect of the State Horse Show, including eligibility and classes. **This publication should be used to answer all questions regarding the Region and State Shows.**

## Regional Shows:

Three Region shows will take place in the following locations and on the following dates:

Western Region:	Martin, West TN Ag. Pavilion	1 <sup>st</sup> weekend (Friday evening & Saturday) of June
Central Region:	MTSU, Murfreesboro	1 <sup>st</sup> week of June
Eastern Region:	Harriman, Roane State	2 <sup>nd</sup> week of June

**Counties will be assigned to a particular Area Show based on proximity to the location of the event.**

## State Show:

The State 4-H Horse Championships will take place the last full week in June at the National Walking Horse Celebration Grounds in Shelbyville. All 4-H'ers must show an official project animal (see registration and ownership above) in at least one class at the Regional Show in order to qualify all of his/her horses in all classes at the State Show. **Entries for the State Show are completed at the Regional Shows.**

## National Level:

Forty-two horses from the State Horse Show will qualify for the Southern Regional 4-H Horse Championships. 4-H members interested in participating in this show must apply at the State Show. Specific rules on Southern Regional selection are outlined in the TN Horse Championships Handbook.
