

Search User Menu

To find the location of any IRIS transaction/report in the SAP Standard menu so that you can save it in your favorites, use the Search User Menu to find the location in the menu tree.

- (1) Type **search_user_menu** in the shortcut field and press **ENTER**.
- (2) Type in the technical name of the transaction or report.

- (3) Click the green check button.

- (4) The transaction path will be shown starting from the bottom and going to the top. These are the items to open in the menu tree.
